

Welcome to Riverhill!

Whether you are a new resident, a potential new resident, or a long term Riverhill resident, we want to welcome you to Riverhill and the Association of Property Owners of Riverhill (APOR). We are a voluntary Home Owners Association (HOA) charged with the dual responsibilities of enforcing the CCRs of the various neighborhoods within Riverhill and doing our best to ensure that Riverhill is a welcoming, friendly community.

Dues are a very reasonable \$75 per year (yes year, not month). For that small sum we enforce the CCRs, provide mowing and landscaping in our common areas, maintain entrances and roundabouts, host an annual meeting, and promote various activities throughout the year.

In this document you will find the following:

1. An APOR membership application.
2. Copies of the architectural committee forms for new construction and for renovation.
3. A copy of the CCRs for the subdivision you selected from the Riverhill map.

You can also find these and other documents on our website, riverhillpoa.com, on the Resources page. Contact information for the current officers of the organization can also be found there.

If you have any questions at any time, you can reach us at APORBoard@gmail.com. We hope that you will join us in Riverhill. It's a great place to live.

On behalf of the Board and your neighbors in Riverhill, once again, welcome.

ARTICLE IV

IMPROPER MAINTENANCE BY OWNER

In the event any portion of a Lot or Dwelling Unit thereon is in Declarant's judgment so maintained by the Owner as to not comply with these Covenants or present a public or private nuisance or as to substantially detract from the appearance or quality of the neighboring Lots or Dwelling Units or other areas of the Property which are substantially affected thereby or related thereto, the Declarant may by resolution make a finding to this effect, specifying the particular condition or conditions which exist, and pursuant thereto deliver notice thereof to the offending Owner that unless corrective action is taken within ten (10) days, the Declarant will cause such action to be taken at such Owner's cost. If at the expiration of said ten (10) day period of time the requisite corrective action has not been taken, the Declarant shall be authorized and empowered to cause such action to be taken and the cost (the "Maintenance Cost") thereof shall be assessed against the Lot and Dwelling Unit of the offending Owner and shall be secured by the Maintenance Lien hereinafter provided. Written notice of such assessment shall be delivered to the offending Owner which notice shall specify the amount of such Maintenance Cost and shall demand payment thereof within thirty (30) days after the date of said notice.

- (a) That he will pay to the Declarant within thirty (30) days after the date of written notice thereof any Maintenance Cost assessed by the Declarant against his Lot and the Dwelling Unit thereon;

(b) That by accepting a Deed to his Lot, he shall be, and remain, personally liable for any and all Maintenance Cost assessed against his Lot and the Dwelling Unit thereon while he is (or was) the Owner thereof, regardless of whether such covenants or agreements are expressed in such Deed and regardless of whether he signed the Deed.

ARTICLE VI

RIGHTS AND POWERS

Section 1: Declarant as Enforcing Body. The Declarant, as the agent and representative of the Owners, shall have the exclusive right to enforce the provisions of this Declaration. However, if the Declarant shall fail or refuse to enforce this Declaration for an unreasonable period of time, after written request to do so, then any Owner may enforce this Declaration on behalf of the Declarant by any appropriate action, whether in law or in equity.

Section 2: Declarant's Remedies to Enforce Payment of Maintenance Cost. If the Owner of any Lot fails to pay the Maintenance Cost when due, the Declarant may enforce the payment of the Maintenance Cost and/or the Maintenance Lien by taking either or both of the following actions, concurrently or separately (and, by exercising either of the remedies hereinafter set forth, the Declarant does not prejudice or waive its right to exercise the other remedy):

(b) Foreclose the Maintenance Lien against the Lot and the Dwelling Unit thereon in accordance with the then prevailing Texas law relating to the foreclosure of realty mortgages and liens (including the right to recover any deficiency).

Sale or transfer of any Lot shall not affect the Maintenance Lien, provided, however, that if the sale or transfer is pursuant to foreclosure of a mortgage or deed of trust, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot and any Dwelling Unit located thereon free of the Maintenance Lien for all Maintenance Cost that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure.

Section 3: Costs to be Borne by Owner in Connection with Enforcement of Payment of Maintenance Cost. In any action taken pursuant to Section 2 of this Article, the Owner shall be personally liable for, and the Maintenance Lien shall be deemed to secure the amount of, the Maintenance Cost together with interest thereon at the rate of eight percent (8%) per annum, the Declarant's cost and attorney's fees.

Section 4: Contracts with Others for Performance of Declarant's Duties. Subject to the restrictions and limitations contained herein, the Declarant may enter into contracts and transactions with others, including its subsidiaries and affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one or more partners (limited or general) in Declarant and/or one or more directors of

the general partner of Declarant is employed by or otherwise connected with Declarant, its subsidiaries and affiliates, provided that the fact of such interest shall be disclosed or known to the other partners and/or directors acting upon such contract or transaction, and provided further that the transaction or contract is fair and reasonable; and any such partner and/or director may be counted in determining the existence of a quorum at any meeting which shall authorize any such contract or transaction, and may vote thereat to authorize any such contract or transaction with like force and effect as if he were not so interested.

In the event Declarant, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VIII

PARTY WALLS

Section 1: General Rules of Law to Apply. Each wall which is built as a part of the original construction of a Dwelling Unit upon the Property and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2: Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3: Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owner to call for a larger contribution from the others under rule of law regarding liability for negligence or willful acts or omissions.

Section 4: Weather Proofing. Notwithstanding any other provision of this Article, an Owner who by his negligence or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5: Right to Contribution Runs with the Land. The right of any Owner to contributions from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

ARTICLE IX

INSURANCE

Section 1: Fire Insurance - Dwelling Unit Improvements on Lots. Each Owner shall purchase at his expense and maintain fire and hazard insurance coverage with respect to the Dwelling Unit on his Lot. Any such insurance shall be for the highest insurable value of such Dwelling Unit and shall contain a replacement cost endorsement. Such insurance shall contain a loss payable endorsement in favor of the Trustee hereinafter described. Upon the request of Declarant, each Owner shall furnish to Declarant, immediately, evidence of such insurability.

20

Section 2: Trustee. All available insurance proceeds, payable under insurance policies described in Section 1 hereof, and subject to the rights of the mortgagees under Section 3 hereof, shall be paid to the Trustee, to be held and expended for the benefit of the Owners, mortgagees, and others as their respective interest shall appear. Said trustee shall be a commercial bank, savings and loan association, title company or other entity in Kerr County, Texas, designated by Declarant which, at the request of Declarant, has agreed in writing to accept such trust. In the event repair or reconstruction is authorized, the Declarant shall have the duty to contract for such work as provided for herein.

Section 3: Mortgagee's Rights. With respect to insurance coverage under Section 1 of this Article, any mortgagee of record shall have the option to apply insurance proceeds payable to it in reduction of the obligations secured by its mortgage. For purposes hereof a "mortgagee" shall mean a person or entity to whom a mortgage is made or who is the beneficiary of a deed of trust. For purposes hereof, "available insurance proceeds" shall mean the net insurance proceeds to be paid to the Owner or the Trustee after the mortgagee has made his election hereunder.

Section 4: Owner's Additional Insurance. An Owner may carry such additional personal liability and property damage insurance respecting his individual Dwelling Unit as he may desire.

Section 5: Damage and Destruction; Reconstruction. If any Dwelling Unit is damaged by fire or other casualty

the Owner of such Dwelling Unit shall immediately take all actions consistent herewith to rebuild such Dwelling Unit (with available insurance proceeds, if available, or at his own cost) pursuant to the original plans and specifications for such Dwelling Unit. If said damage is limited to a single Lot or Dwelling Unit, all available insurance proceeds shall be paid by the Trustee to the Owner of such Lot or Dwelling Unit and the Owner shall use the same to rebuild or repair such Dwelling Unit in accordance with the original plans and specifications therefor. If such damage extends to two or more Lots or Dwelling Units, then:

(a) Reconstruction or Repair by Declarant.

If the available insurance proceeds initially offered or paid by the insurer do not exceed the sum of Ten Thousand and no/100 Dollars (\$10,000.00) and the cost of repairing or rebuilding does not exceed the amount of available insurance proceeds by more than One Thousand and no/100 Dollars (\$1,000.00), such insurance proceeds shall be paid to the Trustee hereinbefore designated in Section 2 hereof. The Declarant shall thereupon contract to repair or rebuild the damaged portions of the Dwelling Units in accordance with the original plans and specifications therefor and the funds held in the insurance trust fund shall be used for this purpose. If the available insurance proceeds are insufficient to pay all the cost of repairing or rebuilding, the Declarant in order to make up any deficiency shall levy a special assessment on all Owners of the Dwelling Units so damaged and their Dwelling Units on a pro rata basis determined in accordance with the amount of damage done to each of the Dwelling Units (which determination shall be made by Declarant in its sole discretion);

(b) Other Situations. If subparagraph (a) is inapplicable, then:

(1) Payment to Trustees. All available insurance proceeds shall be paid to the Trustee designated by the Declarant to be held for the benefit of the Owners of the damaged Dwelling Units as their respective interests may appear. The Declarant is authorized to enter on behalf of such Owners into a construction agreement, consistent with these restrictions, with such Trustee and a contractor relating to the rebuilding of such damaged Dwelling Units, all in accordance with the following procedure;

(2) Procedure. The Declarant shall obtain firm bids (including the right but not the obligation to obtain payment and performance bonds) from three (3) or more responsible contractors to rebuild the damaged Dwelling Units in accordance with their original plans and specifications and shall, as soon as possible thereafter, call a special meeting of the Owners of such damaged Dwelling Units to consider such bids. Each such bid shall be itemized so that the total cost in rebuilding the damaged Dwelling Unit of each Owner will be set forth separately. At the meeting, the Owners shall accept the lowest bid as to

rebuilding all of the damaged Dwelling Units unless by 100% vote, such Owners elect to accept a higher bid for such work. Upon acceptance of such bid, if the available insurance proceeds are insufficient to pay all the cost of repairing or rebuilding, the Declarant in order to make up any deficiency shall levy a special assessment on all Owners of the Dwelling Units so damaged and their Dwelling Units on a pro rata basis determined in accordance with the amount of damage done to each of the Dwelling Units (which determination shall be made by Declarant in its sole discretion.

If any Owner shall fail to pay any special assessment made pursuant to subparagraphs 1 or 2 of this Section 5(b) within thirty (30) days after the levy thereof, the Declarant may make up the deficiency by payment thereof, but said deficiency shall be replenished from the Owner of the damaged Dwelling Unit whether the said improvement is or is not so reconstructed. Any such deficiency shall be deemed a Maintenance Cost with respect to the Lot involved secured by the Maintenance Lien described in Article V hereof. Upon payment by such Owners or by the Declarant for the benefit of such Owners (as provided herein), the Declarant shall let the contract to the successful bidder.

ARTICLE X

CORRECTED DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS, RE: RIVERHILL CLUB AND ESTATES, LTD.

STATE OF TEXAS)
COUNTY OF KERR) 752319

Before me, the undersigned authority, a Notary Public in and for Kerr County, Texas, on this day personally appeared Pat Tinley, known to me to be a credible person of lawful age and qualified in all respects to make this Affidavit, who being by me here and now duly sworn, upon oath said:

That on the 27th day of May, 1975, he caused a Declaration of Covenants, Conditions and Restrictions to be recorded in the office of the County Clerk of Kerr County, Texas, said Declaration of Covenants, Conditions and Restrictions having been made and executed on the 27th day of May, 1975, by Riverhill Club & Estates Ltd., the same having been filed under clerk's file number 751884 and recorded in Volume 179, Page 822, Deed Records of Kerr County, Texas; and

Prior to the recording of such Declaration of Covenant, Conditions and Restrictions, he filled in three blanks in Section 9 of Article XIII of such Declaration of Covenants, Conditions and Restrictions, such Section 9 appearing at Volume 179, Page 836, Deed Records of Kerr County, Texas, thereby causing that portion of Section 9 containing the blanks to read "on the 27th day of May, 1974";

That he incorrectly inserted the year 1974 in one of such blanks instead of the year 1975, and that portion of subsection 9 containing such blanks should have been filled in to read "on the 27th day of May, 1975", and this Affidavit is made for the purpose of ratifying and confirming the fact that the year stated should have been the year 1975.

ARTICLE II

EXISTING DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

Existing Covenants, Conditions and Restrictions. The Property and Owners of Lots thereon are expressly subject to and bound by the Prior Restrictions and the covenants herein set forth are intended to be in addition to, but not in place of, the Prior Restrictions and should there be any conflict in the terms of the covenants herein set forth with

the terms of the Prior Restrictions, then, in such event, the Prior Restrictions will, in all events, control and be binding on the Owners.

ARTICLE III

COVENANTS BINDING ON PROPERTY AND OWNERS

Section 1. Property Bound. From and after the date of recordation of this Declaration, the Property, except as herein provided, shall be subject to the Covenants and the Covenants shall run with, be for the benefit of, and bind and burden the Property and each portion thereof.

Section 2. Owners Bound. From and after the date of recordation of this Declaration, the Covenants shall be binding upon and for the benefit of each Owner and his heirs, executors, administrators, trustees, personal representatives, successors and assigns, whether or not so provided or otherwise mentioned in the Deed conveying the same. Each Owner for himself, his heirs, executors, administrators, trustees, personal representatives, successors and assigns, expressly agrees to pay, and to be personally liable for, assessments provided for hereunder, and to be bound by all of the Covenants herein set forth. Each Owner shall be and remain personally liable, regardless of whether he has transferred title to his Lot, for the amount of assessments (together with interest thereon, cost of collection and attorney's fees, if any) which fell due while he was an Owner. No Owner shall escape personal liability for the assessments herein provided by non-use of or by transfer or abandonment of his Lot. The Owner's personal obligation shall not pass to a successor Owner unless expressly assumed by the successor Owner; but any such assumption of personal liability by the successor Owner shall not relieve the prior Owner of his personal liability for the amount of assessment which fell due while the prior Owner was an Owner.

Section 3. Additions. Additional lands may become subject to this Declaration in any of the following manners:

(a) The owner of any property (other than Declarant) who desires to add it to the scheme of this Declaration, may do so upon compliance with the provisions of subparagraph (b) herein by filing of record a Supplemental Declaration of Covenants, Conditions and Restrictions, which shall extend the scheme of the covenants, conditions, and restrictions of this Declaration to such property, PROVIDED, HOWEVER, that such Supplemental Declaration may contain such complementary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with the concept of this Declaration. In no event, however, shall such Supplemental Declaration modify or add to the covenants established by this Declaration for the property described in Exhibit "A", attached hereto.

(b) In the event any owner desires the annexation of additional residential property and/or common area pursuant to subparagraph (a) herein, such annexation must have the affirmative approval of two-thirds (2/3rds) of each class of the Members.

Any additions made pursuant to subparagraphs (a) or (b) when made, shall automatically extend the jurisdiction, functions, duties and membership of the Association to the properties added.

(c) Upon a merger or consolidation of the Association with another association, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as surviving pursuant to a merger. The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within the Property together with the covenants and restrictions established upon any other properties as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration for the Property except as hereinafter provided.

ARTICLE IV

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every Owner of a Lot shall automatically be a Member of the Association.

Section 2. Classes of Membership. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Members with the exception of Declarant. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for membership. When more than one person holds such interest or interests in any Lot, all such persons shall be Members, and the vote for such Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to any such Lot.

Class B. The Class B Member(s) shall be the Declarant. The Class B Member(s) shall be entitled to six (6) votes for each Lot in which it holds the interest required for membership. When the total votes outstanding in the Class A membership equals or exceeds the total votes outstanding in the Class B membership, then the Class B membership shall cease and be converted into Class A membership. Notwithstanding any other provision of this Article, from and after January 1, 1983, the Class B Member(s) shall be entitled to only one vote for each Lot in which it holds the interest required for membership.

Section 3. Quorum and Notice Requirements. Except as specifically set forth in this Declaration, notice, voting and quorum requirements for all action to be taken by the Association shall be as set forth in its Bylaws, as same may be amended from time to time.

ARTICLE V

PROPERTY RIGHTS VOL. 236 PAGE 249

Section 1. Members' Easements of Enjoyment. Subject to the provisions of this Declaration, every Member and every tenant of every Member, who resides on a Lot, and each individual who resides with either of them, respectively, on such Lot shall have a right and easement of use and enjoyment in and to the Common Area and such easement shall be appurtenant to and shall pass with the title to every Lot; PROVIDED, HOWEVER, such easement shall not give such person the right to make alterations, additions or improvements to the Common Area.

Section 2. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Association to prescribe regulations governing the use, operation and maintenance of the Common Area (including limiting the number of guests of Members);

(b) Subject to the affirmative approval of two-thirds (2/3rds) of each class of Members, the right of the Association to borrow money for the purpose of improving the Common Area and facilities and in aid thereof to mortgage the Common Area, and the rights of such mortgagee in the Common Area shall be subordinate to the rights of the homeowners hereunder;

(c) The right of the Association to take such steps as are reasonably necessary to protect the Common Area against foreclosure;

(d) The right of the Association, as provided in its Bylaws, to suspend the voting rights of any Member and to suspend the right of any individual to use any of the Common Area;

(e) Subject to approval by written consent of two-thirds (2/3rds) of each class of Members, the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and upon such conditions as may be agreed to by the Members; and

(f) The right of each Owner to the use of the Assigned Parking Spaces.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot owned by it within the Property, hereby covenants and agrees, and each purchaser of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Association (or to a mortgage company or other collection agency designated by the Association): (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments

to be fixed, established and collected from time to time as hereinafter provided; (3) individual special assessments levied against Owners to reimburse the Association for extra costs for maintenance and repairs caused by the willful or negligent acts of the Owner and not caused by ordinary wear and tear, such assessments to be fixed, established and collected from time to time as hereinafter provided. The regular annual assessments thus collected by the Association shall constitute the Maintenance Fund of the Association. The annual, special capital and special individual assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on each Lot and shall be a continuing lien upon each Lot against which each such assessment is made. Each such assessment together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the continuing personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the Property, and in particular for the improvement and maintenance of roadways, walkways, or other properties, services and facilities devoted to this purpose and directly related to the use and enjoyment of the Common Area and of the Units situated upon the Property, including, but not limited to, the payment of taxes on and insurance in connection with the Common Area and the repair, replacement, and additions thereto, for paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management and supervision of, the Common Area, for carrying out the duties of the Association as set forth hereafter, and for carrying out the purposes of the Association.

Section 3. Improvement and Maintenance of the Common Area Prior to Conveyance to the Association. Until the date of the conveyance of the first Lot to an Owner, the Declarant shall have, at its election, the sole responsibility and duty of improving and maintaining the Common Area, including, but not limited to, the payment of taxes on and insurance in connection with the Common Area and the cost of repairs, replacements and additions thereto, and for paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management and supervision of, the Common Area. In this regard, and until such time, all assessments, both annual and special, collected by the Association (less such amounts required for the operation of the Association) shall be forthwith paid by the Association to Declarant, to the extent that such assessments are required by Declarant to improve and maintain the Common Area as set forth in this paragraph. The Association shall rely upon a certificate executed and delivered by the Declarant with respect to the amount required by Declarant to improve and maintain the Common Area hereunder. Any sums required by Declarant to improve and maintain the Common Area, in excess of the assessments collected by the Association, shall be borne and paid exclusively by Declarant.

Section 4. Basis and Amount of Annual Assessments.
The annual assessments shall be determined by the Board of Directors of the Association which determination shall be based upon the requirements of the Association to satisfy the expenses of the Association and its purposes for the next ensuing year.

Section 5. Special Assessments for Capital Improvements.
In addition to the annual assessments authorized by Section 4 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto; PROVIDED THAT any such assessment shall have the affirmative approval of two-thirds (2/3rds) of each class of Members, as provided hereinafter.

Section 6. Uniform Rate of Assessments. Both annual and special assessments (excepting therefrom special individual assessments) must be fixed at a uniform rate for all Lots, except those which are exempt as herein provided.

Section 7. Date of Commencement of Assessments; Due Dates.
The annual assessments provided for herein shall commence on the date fixed by the Board of Directors of the Association to be the date of commencement, and shall be payable as the Board determines. The first annual assessment shall be made for the balance of the calendar year in which it is levied. The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the amount of such annual assessment as the remaining number of months in that year bears to twelve; provided, however, that if the date of commencement falls on other than the first day of a month, the assessment for such month shall be prorated by the number of days remaining in the month.

The due date or dates, if it is to be paid in installments, of any special assessment under Section 5 hereof or of any special individual assessment under Section 1 hereof, shall be fixed in the respective resolution authorizing such assessment.

Section 8. Duties of the Board of Directors with Respect to Assessments.

(a) The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be open to inspection by any Owner.

(b) Written notice of the assessment shall thereupon be delivered or mailed to every Owner subject thereto.

(c) The Board of Directors shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. A reasonable charge may be made by the Board for the issuance of such certificates.

Section 9. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; the Lien; Remedies of Association.

(a) If any assessment or any part thereof is not paid within thirty (30) days after the date(s) specified in the notice to the Owner then the unpaid amount of such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot of the non-paying Owner which shall bind such Lot in the hands of the Owner, his heirs, executors, devisees, personal representatives and assigns. Each Owner by his acceptance of a deed or conveyance of his Lot hereby grants a continuing lien on the Lot of each such Owner as security for such assessments which shall bind such Lot in the hands of the Owner, his heirs, legal representatives, successors and assigns, and each Owner by his acceptance of a deed or conveyance of his Lot hereby grants, sells and conveys such Lot to David L. Jackson, Trustee, and his successors in trust, to further secure such obligations, with the express power of sale and the right of the Association to sell such Lot at public sale in accordance with Article 3810, Texas Revised Civil Statutes. Further, the Declarant hereby retains a vendor's lien against each Lot as security for said assessments and said vendor's lien is hereby transferred and assigned to the Association without recourse. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them. The lien for unpaid assessments shall be unaffected by any sale or assignment of a Lot and shall continue in full force and effect. No Owner may waive or otherwise escape liability for the assessment provided herein by non-use of the Common Area or abandonment of his Lot.

(b) If any assessment or part thereof is not paid within thirty (30) days after the due date specified in the notice to the Owner, the unpaid amount of such assessment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum, and the Association may, at its election and in addition to any and all other rights or remedies hereunder, at law or in equity, bring an action at law against the Owner personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the Lot subject thereto, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in any action and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate and inferior to the lien of any first mortgage or deed of trust now or hereafter placed upon the Lots subject to assessment for purchase money or improvements; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale, whether public or private, or transfer in lieu thereof of such property pursuant to the terms and conditions of any such deed of trust or mortgage. Such sale shall not relieve such Lots from liability for the amount of any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein:

(a) All properties dedicated and accepted by the local public authority and devoted to public use.

(b) All Common Area as defined herein.

No Owner shall, without the prior written consent of the Association (which consent need only be approved by the Board of Directors of the Association), sell, convey or in any way transfer any Lot, in whole or in part, unless and until such Owner shall obtain from the Board of Directors of the Association, and shall furnish to such Owner's purchaser or transferee, a certificate (dated not more than ten (10) days prior to the date of such transfer or conveyance) in writing signed by an officer or agent of the Association setting forth that all assessments payable by such Owner have been paid to the date thereof, that such Owner is not delinquent in the payment of such assessments as of the date thereof, that such Owner is not in violation of any restrictions, covenants and conditions or rules and regulations of the Association and that such Owner is otherwise in good standing with the Association. Such certificate shall be furnished by the Board of Directors in accordance herewith. Any sale, transfer or conveyance by virtue of foreclosure, or in lieu thereof, with respect to first mortgages or deeds of trust constituting and creating a first and prior lien on a Lot are expressly excluded from the provisions and requirements hereof.

ARTICLE VII**GENERAL POWERS AND DUTIES OF BOARD OF DIRECTORS OF THE ASSOCIATION**

Section 2. Owner's Obligations to Repair. Each Owner shall, at his sole cost and expense, maintain and repair his Lot and the Unit and improvements situated thereon, keeping the same in good condition and repair. In the event that any Owner shall fail to maintain and repair his Lot and such Unit and improvements as required hereunder, the Association, in addition to all other remedies available to it hereunder or by law, and without waiving any of said alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the exterior of the Unit and any other improvements erected thereon; and each Owner (by acceptance of a deed for his Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand together with interest thereon at the rate of 10% per annum from the date of demand until paid, and the failure of any such Owner to pay the same shall carry with it the same consequences as the failure to pay any assessment hereunder when due.

Section 3. Maintenance Contracts. The Board, on behalf of the Association, shall have full power and authority to contract with any Owner for the performance by the Association of services which the Board is not otherwise required to perform pursuant to the terms hereof such contracts to be upon such terms and conditions and for such consideration as the Board may deem proper, advisable and to the best interest of the Association.
